Information

Innovation

Implementation

Invention

Silvermount aims at molding children who can gallop through various hurdles in their whole life span by triggering the ideas of:

- Creative knowledge and self thinking
- Implementation
- Inventions and innovations

We also enhance the inter-personal and intra-personal behavior aspects of our students, who can overview the future confidently and can propagate harmony and peace to the entire globe.

Ultimately we spread the path to evolve good human beings and good citizens who can actually revolutionize the meaning of the word “DO”.

## OUR VISION

To create a community of well-rounded individuals with emphasis on intellectual & emotional growth, spirit of cooperation and mutual respect with the profound desire to aspire, achieve and advance.

## OUR MISSION

To provide a challenging and supporting environment for the overall development of child.  
To develop the ability of self-respect & analyze to identify their interests and nurture it to add value and contribute to the society.

## SCHOOL PHILOSOPHY

EVERYONE IS  
INTELLIGENT

PARTNERING  
WITH PARENTS

LEARNING

SHIFTING 21ST  
CENTURY LEARNING  
SKILLS

## SYLLABUS AND CURRICULUM

We do follow Central Board Of Secondary Education (CBSE) syllabus from 1st std to 10th std.

**SILVERMOUNT** uses various teaching programs and tools like:

It's a scientifically designed curriculum, which results in best & easy learning for each child.

## CBSE SYLLABUS (INTO THE CORE OF EACH INDIVIDUAL):

This syllabus focus on the overall nurturing of each student.

The focus is centered in skill development, it will equip students with life skills especially creative and critical thinking skills, social skills and coping skills which will keep them in a good stead when they enter in to a highly competitive environment later on.

## EXTRA CURRICULAR ACTIVITIES AND FACILITIES

Silvermount international school had identified that academics subjects alone can't transform students to exceptional adults, there by our School places huge emphasis on extra curricular activities for the overall development of the students. The fundamental objective of our extracurricular activities is to further promote the interests and skills of our students individually and perhaps even awaken new interests. The school's wide-ranging co-curricular program offers activities of interest to all students in the school. Students are encouraged to participate fully in the athletic, artistic, social and cultural life of the school.

Silvermount focuses on the overall development of our students both physically and mentally. In order to be vigilant in achieving that goal we have purposefully organized various facilities like:

- Swimming pool
- In-door and out-door sports

## LOCATION

With all nourishments & blessings of the nature, Silvermount international is situated on the valley of Amminikad hill and has the perfect habitat for accomplishing the process of education. We do cater the educational needs from kindergarten to class 10th.

We are just 3 kms from Perinthalthana town.

## TRANSPORTATION:

Silvermount has exceptionally taken care of the travelling needs of our students by offering the fine fleets of transportation mediums.
